**Subject:** SUDAS Board Appointment

Bob,

Happy New Year! It's hard to believe it's been 2 years already, but your appointment on the SUDAS Board expired on December 31, 2019. We would recommend that you be re-appointed and request that you contact your MPO to obtain this re-appointment. If your MPO wants to appoint another person, remember that all Board members must be licensed engineers.

If possible, we would like to have this appointment in place by April 1, 2020 in order to accommodate our Board notification schedule.

If you have any questions, please do not hesitate to contact me.

Thanks so much!
