Speaker's Biography

Stuart Anderson, Director of the Planning, Programming and Modal Division at the Iowa Department of Transportation.

Stu graduated with a BS degree in Civil Engineering from Iowa State University in 1991 and as the Director of the Planning, Programming and Modal Division Stu is responsible for long-range multi-modal transportation planning and programming and the administration of modal funding programs.

Alan Meyers, Project Manager at WSP

Alan Meyers is a Project Manager with WSP. Alan has 34 years of professional experience in multimodal freight and passenger transportation, with emphasis in waterborne freight services and facilities. He offers expertise in managing and preparing: state and modal system transportation plans; port and waterfront facilities plans; regional economic development plans; and transportation improvement benefit-cost analyses.
