

## DUBUQUE METROPOLITAN AREA TRANSPORTATION STUDY

### POLICY COMMITTEE RESOLUTION NO. 2023-09-3

A RESOLUTION SUPPORTING THE CITY OF DUBUQUE'S APPLICATION FOR FUNDING FROM THE IOWA DEPARTMENT OF TRANSPORTATION'S IOWA CLEAN AIR ATTAINMENT PROGRAM FOR PHASE II OF THE STREETS PROJECT

**WHEREAS** the Dubuque Metropolitan Area Transportation Study (DMATS) wishes to reduce congestion and emissions in the Dubuque Metropolitan Area by implementing the Smart Traffic Routing with Efficient and Effective Traffic Signals (STREETS) project; and

**WHEREAS** the STREETS project will develop a smart, next-generation, traffic management and control system using traffic control strategies to enable dynamic traffic routing on signalized corridors across the metropolitan area to maximize the use of existing roadway capacities and reduce delay; and

**WHEREAS** the STREETS project aims to achieve the following goals: Improve Mobility, Reduce Congestion, Improve Safety, and Provide Information for Travelers; and

**WHEREAS** implementation of Phase I of the STREETS project is underway and is expected to be completed by spring 2024; and

**WHEREAS** Phase II will complete the implementation of the STREETS project on the area's remaining signalized corridors; and

**WHEREAS** the STREETS project is consistent with the goals and objectives of the DMATS 2050 Long Range Transportation Plan and is listed in the fiscally constrained transportation plan as one of the metropolitan area's key transportation projects; and

**WHEREAS** the City of Dubuque wishes to seek funding by submitting an application, due October 01, 2023, for these improvements through the Iowa DOT Iowa Clean Air Attainment Program.

**NOW, THEREFORE, BE IT RESOLVED** The DMATS wholeheartedly endorses this Iowa Clean Air Attainment Program application requesting financial assistance from the Iowa Department of Transportation to improve emissions and reduce congestion in the metropolitan area.

Approved this 14th day of September 2023.
